Six projects funded by CSWD's 2010 Community Waste Reduction Grant

CSWD is pleased to announce the recipients of CSWD's 2010 Community Waste Reduction grant funds. Six creative community project applications will share the \$2,000 in available funds:

- **Burlington** Parks and Recreation Dept for "April is Compost Month" project
- **Charlotte** for "Plastic Waste Reduction at Charlotte Central School" project to be conducted by Transition Town Charlotte
- **Charlotte** for "Community Waste Reduction Project" to be conducted by Transition Town Charlotte on behalf of Charlotte, Shelburne, Jericho, and Underhill
- **Jericho** for "Reducing Household Waste; Convincing One Neighbor at a Time" project to be conducted by Jericho Energy Task Force
- **Shelburne** for "Enhancing Community Composting in Shelburne" project to be conducted by Transition Town Shelburne
- **Williston** for "Community Waste Reduction" project to be conducted by Williston Green Initiatives

Five of the projects encourage an increase in composting throughout their community. One project reduces plastic waste at an elementary school. This is the first year CSWD has awarded grant funds to support community waste reduction projects. For more information about CSWD's community waste reduction grant, please contact CSWD Community Outreach Coordinator Marge Keough at mkeough@cswd.net.
