Chittenden Solid Waste District

LEAVE 'EM OUT

These items don't belong in the recycling bin.

NO PLASTIC BAGS

They wrap around sorting equipment & cause shutdowns.

Instead: Empty recyclables into the bin, then bring bag to a grocery store for special recycling.

NO BATTERIES

They are the leading cause of fires at our sorting facility.

Instead: Bring to select Drop-Off Centers for special recycling.

NO STUCK-ON FOOD/DRINK

It's gross—and it reduces the value of other recyclables.

Instead: Rinse clean first, or put in trash.

NO SCRAP METAL ITEMS

They endanger workers and damage equipment.

Instead: Bring to select Drop-Off Centers for special recycling.

NO CLOTHING

It wraps around equipment and causes shutdowns.

Instead: Donate for reuse, or trash if worn out.

NO ELECTRONICS

They damage equipment and endanger workers.

Instead: Bring to select Drop-Off Centers for special recycling.

NO HAZARDOUS CONTAINERS

They pose a risk to workers, even if empty (there's always residue).

Instead: Take to CSWD Environmental Depot, or trash if empty.

This is only a partial list. For more details, visit www.cswd.net/recycling.
