RE: Request for Inclusion of Facility in CSWD SWIP

CSWD has a responsibility per our Solid Waste Implementation Plan (SWIP) to maintain an active list of Solid Waste Facilities and Categorical Facilities that are included in the SWIP. The owner/operator of the following facility is seeking inclusion in the SWIP:

- All Cycle Waste, Inc. – All Cycle Waste received State Certification to operate a drop-off center in Richmond, VT. The Solid Waste Facility Certification Mirrors the acceptance parameters of the facility previously occupying that property, CSWD's Richmond Drop-Off Center.

Board Action Requested

Adopt the resolution to include All Cycle Waste's Drop-Off Center in CSWD's Solid Waste Implementation Plan.

The Chittenden Solid Waste District's Board of Commissioners hereby resolves that All Cycle Waste's Drop-Off Center located on Rogers Lane in Richmond, VT, be included in the District's Solid Waste Implementation Plan contingent upon All Cycle Waste's obtaining and maintaining compliance with all necessary local, state, and federal permits.
