## Process

The nominations will be placed on a ballot provided by the District. Additional nominations will be solicited at the Annual Organizational Meeting of the Board of Commissioners, June 26, 2019. All new self-nominations will be added to each ballot; all new nominations will be added to the corresponding ballot once assent to serve has been confirmed. Nominations will close for officer positions one by one. Meaning, nominations will be sought for the position of Chair. When all nominations have been received, nominations will close and voting will commence. When the vote for Chair is completed, the process repeats for Vice Chair, Secretary, and Treasurer in turn. Additional nominations will be sought for Executive Board when the Officer elections are complete. Commissioners may select **up to four members** to serve on the Executive Board (the Chair is automatically a member of the five-member committee).

## **Committees**

Currently active committees are the Executive Board and one standing committee, the Finance Committee. The Investment Committee meets as needed, usually once a year. Over the years, we've established a variety of ad-hoc committees (Ordinance, Recycling Market Development, Franchise Study, Executive Search, etc) to work on short-term projects. The Chair serves as an ex-officio member of all committees.

### **Executive Board**

The Executive Board meets on the third Monday of each month as needed, typically 10 times per year. The Chair of the Board of Commissioners currently functions as the Chair of the Executive Board.

### **Finance Committee/Investment Committee**

The Finance Committee was established by the Board of Commissioners in 1996 and its members are appointed by the Chair of the Board. It has been recent practice to have the Finance Committee appointments be approved by the full Board, however this does not seem to be required (see attached memo from 11/15/96). The Finance Committee has begun to meet regularly during the year, not solely for budgeting purposes. The expectation can be that the Finance Committee will meet approximately eight times per year. It has been the practice that the Treasurer of the Board of Commissioners is a member of the Finance Committee. It has also been recent practice that the members of the Finance Committee comprise the Investment Committee.
