To: Commissioners of CSWD.

In accordance of CSWD rules, 5.1-6 I am appealing Executive Directors decision to discharge me as Supervisor of Maintenance On 6/8/2020. I feel I was wrongfully discharged from my employment. I intend to provide several documents to include "Personal Rules & Regulations 4.15", a letter sent by Brian Wright dated 12/17/18 and several other copies. I have no problem stating my case in open session. But want to be acknowledged and wish to be heard. Please let me know time and date and email so that I can get documents to you for review.

Thank you: Bob Magee
