Agenda #4. MRF Consultant Contract

S. Reeves is seeking permission to authorize a contract with Renewed Resource Management, LLC who is headed by Tony Barbagallo. This contract will bring on board help with Vermont based engineering experience with unique experience as a previous CSWD employee who helped construct the old MRF. There is a provision in our procurement procedures that allows for a waiver from competitive bidding when bidding would place an undue burden on the organization. This will be applied for this one-year contract, which includes an option to extend for two additional years if there is a need. Proceeds from the bond can be applied to this contract.

Board members speak out in support of offering the contract to Mr. Barbagallo, who will be focused on this project full time for the duration of the contract. The structure of the original MRF contract is reviewed, outlining the professionals to be contracted for various components of constructing the new MRF in addition to the CSWD staff.

Motion by P. Stabler, second by A. Nye that BE IT RESOLVED that the Executive Board of Commissioners authorizes the Executive Director to enter into a contractual agreement with Renewed Resource Management, LLC located in Bolton, Vermont for engineering consultant services specific to the Materials Recycling Facility new build project for a first year contract amount not to exceed \$96,000 with two one year options to renew at the same terms and conditions. Voting: All Ayes, motion carried.

Agenda #5 – Executive Session – No Executive Session is held this meeting.

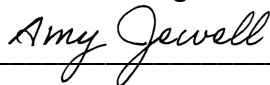

Agenda #6. Other Business – A. Nye asks if there will be an update on bond materials at the Full Board meeting, staff confirm there will be. P. Stabler asks for an update on Flynn Avenue and Pine Street developments with the City of Burlington. Mr. Barbagallo asks how many proposals were sent in, S. Reeves confirms two were received by the deadline, with more possibly coming in later.

Motion by A. Nye, Second by P. Stabler to adjourn the meeting. VOTING: unanimous; motion carried. The meeting was adjourned at 5:14 p.m.
