Sustainability Points

Policies –

- E1 - Recycling
 - Specific to our school, see practices

Practices - Based on the District's policies and our school's connection to environmental awareness, we have implemented the following:

- Reusing-Avoiding Waste
 - Using both sides of paper before recycling - new GOOSE (Good on one side) paper bins made from reused milk cartons
 - Emailing/calling/using social media to update families with news and share newsletters

Promotions

- Green Team announcements during Friday Community Meetings

Score: 72 Rally points + 4 Sustainability points = 76 points: *Recycling Wizards*
